

Dobbs v. Jackson and the Culture of Life

The Supreme Court's decision to overturn *Roe v. Wade* came as a shock to many. *Dobbs v. Jackson* has provoked responses from joy to outrage and even violence. But it is clear that many Americans are unaware of what *Roe* actually held and thus are uncertain about the consequences of *Dobbs* for abortion law in the U.S.

Join the John Paul II Institute for a discussion of the *Dobbs* decision to help Catholics to “read the signs of the times and interpret them in the light of the Gospel.” Our speakers will shed light on the meaning of this landmark decision for U.S. law and culture, in view of the Church's understanding of the dignity of every human person and the sanctity of human life. Talks will present the history of abortion law in the United States and will look ahead to new opportunities and challenges for the pro-life movement.
