Notes

The Violence Against Women Reauthorization Act of 2013 (VAWA) amended the Clery Act to require institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking. In 2013, Rape/Sex Offense (Forcible) and Rape/Sex Offense (Non-Forcible) is captured under Sexual Assault. Sexual Assault is an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's UCR.

How statistics are compiled:

The investigator for the CUA Department of Public Safety is responsible for collecting crime statistics, in cooperation with the D.C. police. The investigator also works with the CUA Office of the Dean of Students, Judicial Affairs, and Ethical Development in collecting the statistics on referrals for campus disciplinary actions, drug abuse, liquor law or weapons violations. The Pontifical John Paul II Institute for Studies on Marriage and Family does not collect its own statistics, relying rather on the statistics of the Catholic University of America for the entire campus community.
